NEXT STEPS

All you need to do now is email
info@hannahkellyphotography.com with the following info:

- Which package you are interested in and if you want any add ons
- If booking a newborn shoot, your due date (or if having a c-section your estimated c- section date). The final date we decide on can always be moved if baby arrives early/late.

I will then email back
with a selection of
dates to choose from.
(remember to check
your spam folder just
incase it goes in there).

WHAT TO WEAR

Simple is best, muted tones that compliment each other, try to avoid loud and busy patterns or logos.

For babies, just a simple long or short sleeved white vest baby grown works really well.

You can see some outfit inspiration by following the link to Pinterest board below.

HOW TO PREP YOUR NEWBORN

My shoots are very much baby-led, so don't worry if your little one needs to stop for a nappy change, a cuddle, or a feed. I'm there to capture that newborn bubble just as it is.

Try to give your baby a feed before the shoot, so they are content and sleepy when I arrive.

Things to have ready:

- Plain white short or long sleeved vest (& a spare)
- Any other outfits you want your little one to wear, Please keep to a minimum as constant changing will unsettle your baby.
- Nappies & wipes & muslin cloths
- Milk - milk is always a winner when they start to fuss
- If there's toddlers around, SNACKS. All of the snacks, and their fave toys.

Don't worry! Babies cry, babies fuss, we'll simply pause and you can reassure them before we carry on.

I CAN'T WAIT FOR YOUR SHOOT!

If you have any other questions, drop
me an email or a DM on Instagram
and I'll do my best to answer.
